

**497—9.1(17A) Definition.** For purposes of this chapter, a “waiver” or “variance” means action by the board that suspends, in whole or in part, the requirements or provisions of a rule as applied to any identified person on the basis of the particular circumstances of that person. The term “waiver” shall include both a waiver and a variance, and the term “person” shall include any individual or entity subject to the board’s jurisdiction.
